CSS	C

## Profile

I am a driven individual that always strives to succeed in all aspects of my life. This characteristic has helped me achieve goals like, highest grade in the 2021 Pancyprian Computer Science Exams and 1<sup>st</sup> in my cohort at the University of Cyprus studying computer science. I strive to meet deadlines and work well in a team environment.

## Employment history

### C4E (Centre for Entrepreneurship) Technical Support

(September 2022 – currently employed)

- Communicating with the C4E admin staff with updates for the website
- Updating and maintaining the C4E website
- Preparing media like PDF's or web ready images
- Training new interns

### The Junior & Senior School

(2023-2024 Freelance)

- Developed dummy website for the purposes of simulating Phishing attacks. The project involved website development with embedded JavaScript and a backend database to gather data of users which have either clicked on a Phishing link or submitted their credentials. The user data is accessed through a backend application and automated emails are sent to the administrator for live feedback.

(2020 Part-time Technical Support)

- Assisted with maintenance work on the 3 computer labs which involved:
  - Upgrading hardware (SSD drives and RAM)
  - Removing old software and installing new
  - Updating licencing for Adobe software (Creative Cloud)
  - Cloning drives using image files.
- Assisted with networking of new computer lab and other locations in the school.
  - Running network cables
  - Installation of network switches
  - Testing

(2019 Part-time Technical Support)

- Assisted with rewiring of the Network.
- Installed and setup new Network switches.
- Installed new CISCO managed access points.
  - configured access points on the router.
  - setup the school SSID's
  - Configured traffic shaping and Firewall.
- Other networking tasks

## Professional Certifications

---

- **HTML, CSS, and JavaScript for Web Developers**  
<https://bit.ly/html-css-javascript-certification>
- **Building Cloud Services with the Java Spring Framework**  
<https://bit.ly/java-spring-certificate>
- **CISCO certifications**
  - CCNA Routing and Switching: Introduction to Networks
  - CCNAv7: Switching, Routing and Wireless Essentials

## Other Personal Projects

---

- Created a REST-like web application tailored for managing a streamlined student database, facilitating seamless CRUD operations. Implemented robust user authentication via a separate web server, ensuring secure storage and encryption of user data. Employed JWT technology to grant authenticated users access to the application, enhancing usability and security.
- Designed and developed my personal website([www.giorgospaphitis.com](http://www.giorgospaphitis.com)) utilizing a Single Page Application (SPA) architecture, incorporating HTML5, CSS, and JavaScript for a seamless and interactive user experience.

## Education

---

- **Computer Science Undergraduate at the University of Cyprus**  
(05/09/2022 – currently studying)  
Have completed the 4<sup>th</sup> of 8 semesters (2nd year) with an **average of 9.68/10** ranking me **1st in my cohort**.
- **Lyceum Agiou Georgiou (Lakatamia)**  
(2018 – 2021)  
Graduated as **valedictorian** with an average of 19.89/20 and 19.801/20 for entrance to UCY

## Languages

---

- Greek (native speaker)
- English (fluent in speaking and writing)  
IGCSE in English Grade A

## Military Service

---

### Military Police

(24/07/2021 – 24/09/2022)

Served as Corporal in the Military Police Unit of the Cypriot National Guard and specialized in Security/Traffic control/Interrogation throughout my 14-month military service. Throughout my service I was acting Epilochias (Staff sergeant) where I was responsible for the planning of duty assignments.

## **Driver's license**

---

### **Full driver's license (2021)**

For manual and automatic vehicles.

## **Achievements and certificates**

---

- **Cambridge IGCSE: English as Foreign Language, Grade A**
- **Regular blood donor since 2020**
- **Graduated Valedictorian from Lyceum Agiou Georgiou**
- **Highest score 19.995/20 in the 2021 Pancyprian Computer Science examination**
- **Volunteer fundraising for RED CROSS (19/02/2014)**
